

FFA CAMP INFORMATION READ THIS CAREFULLY!

Members of the Northview Academy FFA will be attending FFA Camp at Camp Clements in Doyle TN. We will leave the school on. Transportation will be by bus. The trip to the FFA Camp at Camp Clements in Van Buren County will take approximately 2 hours and no, we are not there yet.

In case of emergency, call the camp office at (913)-657-2591. Cost of Camp is \$185.00 and this includes room, board, t shirt and meals for the week. An additional \$8 must be included if the student wants a picture of camp. Members will need to bring extra spending money. This money may be used for WalMart, vending, ice, and fast food to and from. Activities will include leadership training sessions, swimming, softball, volleyball, boating, fishing, basketball, pool, ping pong, rifle range, [personal automatic assault rifles must be left at home:)]and other camp games.

Consider bringing the following items, casual, cool, clothing for training sessions, official dress (a must for officers), basketball, pen and notebook, one piece swim suits, beach towel, softball glove and bat, games, bed linen, pillow, towels, flashlight, musical instruments, FFA manuals, personal necessary items for bathing, garbage bags for all those wet, mildewed items you drag home. Keep in mind, your image is important, so bring appropriate clothing.

Note to Parents: Objectives of camp are education, leadership training, recreation, public relations and building community. We will be serving as camp staff members and have arranged a female chaperone for the girls of the group. We have high standards of behavior during these trips, and expect students to meet those standards. They will be given some freedom at camp and will need to be prepared to conduct themselves as expected without constant supervision. I do not expect any discipline problems, but in the event a problem occurs, a parent will be expected to arrange transportation for a member immediately.

The full amount of camp must be paid by April 30th. Currently, we are looking at going July 8-12. We do not get to register in the first group so this date may change. Officers must have paid to attend camp in order to be selected.
